CLASS OBJECTIVE

The American Red Cross Lifeguard Training class prepares students to obtain an entry level lifeguarding position at a swimming pool facility. This class will include First Aid, CPR for the Professional Rescuer, Automated External Defibrillation (AED), and Preventing Disease Transmission training and certification.

PRE-REQUISITES

- Must be 15 years of age by the last date of the class in which enrolled.
- Swim 300 yards continuously demonstrating breath control and rhythmic breathing. May swim using the front crawl, breaststroke or a combination of both but swimming on the back or side is not allowed. Swim goggles may be used.
- Tread water for 2 minutes using only legs.
- Swim 20 yards using either front crawl or breaststroke, surface dive to a depth of 7-10 feet, retrieve a 10 pound brick, return to the surface and swim 20 yards on back to the starting point with both hands on the brick, and exit the water. Goggles may not be used.
- Successfully complete skills.
